## **Detailed Action**

### ***Examiner's Amendment***

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Andrew Knight on March 1, 2004.

The application has been amended as per the "Supplementary Amendment" received November 24, 2003, where the Applicant amended claims 7 and 8 and added a new claim 15.

The application has further been amended as follows:

In claim 11, on line 5, --; and, said electron beam objective having a size comparable to an objective of a conventional light microscope.-- has been added after "supported by the nosepiece".

In claim 13, on line 7, --; and, said electron beam objective having a size comparable to an objective of a conventional light microscope.-- has been added after "of the first housing".

### ***Allowable Subject Matter***

2. Claims 1-9 and 11-15 are allowed.
3. The following is an examiner's statement of reasons for allowance:

With respect to the independent claims 1, 11, 13, and 15, prior art fails to disclose or make obvious, in addition to the accompanying features of the claims, a microscope having a configuration of a conventional microscope, comprising: an optical unit defining an optical axis;

and at least one objective that can be arranged in the optical axis and is configured as an electron beam objective, said electron beam objective having a size comparable to an objective of a conventional light microscope.

With respect to the independent claim 6, prior art fails to disclose or make obvious, in addition to the accompanying features of the claim, a microscope having a configuration of a conventional microscope, where the electron beam objective comprising a first housing that encloses a second housing, whereby an electron microscope column is arranged in the second housing, and whereby a higher air pressure is existing in the first housing than in the second housing.

The dependent claims 2-5 and 9; 7-8; 12; and 14; are allowable by virtue of their dependence upon claims 1, 6, 11, and 13, respectively.

### ***Conclusion***

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
